## PERSONAL LETTER TO GOVERNOR MAURA HEALEY

---

*[Today's Date]*

Dear Governor Healey,

I am Victoria Huell, President of Sister Strong Collective, a Massachusetts nonprofit empowering women in Boston to start, grow, and sustain their own businesses through education, mentorship, networking, and community programming.

I am writing to respectfully invite your support of a community event we are hosting in Boston.

On Saturday, July 25, 2026, Sister Strong Collective — in proud partnership with No Pressure On Us Youth Foundation and Ocean Code Home Care, LLC — will host **Kids Fun Fest Day** at Dorchester Park (2180 Dorchester Avenue, Dorchester, MA 02124) from 12:00 PM to 7:00 PM. This FREE, family-friendly event will bring joy, resources, and community connection to the children and families of Boston's historically underserved neighborhoods.

We would be honored by your support — through a contribution, in-kind donation, public endorsement, or your presence at the event. As a champion of Massachusetts women, families, and small businesses, your involvement would carry a deeply meaningful message to the children and families we serve.

The full donor letter and our Kids Fun Fest Day flyer are included in this packet.

I would welcome the opportunity to speak with you or a member of your team at your convenience. Thank you for your steadfast leadership for the Commonwealth.

With deep gratitude and respect,

**Victoria Huell**
